The Louisville Downtown Street Faire.

**The best place to spend
a summertime Friday night
on Colorado's Front Range.**

Vendor Opportunities

The Street Faire is looking for vendors who have something special, unique or delicious to share with the people of Boulder County. Do you showcase beautiful pieces of art? Create clever crafts? Import fabulous treasures? Package gourmet treats? If so, we'd like to invite you to be part of..

An Authentic American Experience.

There are a lot of people looking for something "real" these days, and it just does not get any more real than the Louisville Downtown Street Faire. Located in the heart of Historic Downtown, the Faire glows with authentic small town ambiance. Conceived, constructed and managed by the Louisville Downtown Business Association and community volunteers, the Street Faire is a celebration of family, community, and good, clean fun.

"Wow, There's a Lot of People Here"

The combination of the open-air environment, good vendor line-up, lots of children's activities and great music, brings thousands of people Downtown over the course of the summer. With an average attendance of 4,000 per Faire your booth's products will be exposed to approximately 32,000 people over the course of the summer.

The demographic of Louisville and the surrounding area is highly educated, economically upscale, and socially conscious. Good people to hang out with on a Friday night and a great audience to target with your creative artwork, crafts and treasures.

Intrigued?

Here's the best part: vendor booth space is only \$300 for the entire season. That means your products will tempt 32,000 people over the course of the summer while you enjoy this authentic hometown experience all for only \$300 a season.
